Dear Friend,

As your Representative in Congress, it is my honor to be your voice in Washington. I am working tirelessly on your behalf, and always have the interest of our community in mind when legislation comes before me for a vote. More specifically, in my responsibility as a member of the House Committee on Appropriations, I am working to ensure that we focus on funding our national priorities, while working to eliminate waste, fraud, and abuse. I serve as the Chair of the Transportation, Housing and Urban Development subcommittee, and am also a member of the State, Foreign Operations, and Related Programs and the Defense Subcommittees, as well as the House Committee on the Budget.

In addition to my responsibilities and committee assignments in Washington, I serve the constituents of the 25th District. From helping with issues at the federal level, to assisting your family in booking tours of our nation's landmarks please let me know how my staff and I can be of service.
