The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for City of Miami Marked Police Cruisers in Fiscal Year 2027. The entity to receive funding for this project is City of Miami, located at Miami Riverside Center, 444 SW 2nd Avenue, Miami, Florida 33130.

The funding would be used for the acquisition of marked police cruisers for the City of Miami Police Department. These marked police cruisers will make communities safer, help improve visibility for officers, deter crime, and create greater interactions within the community.

The project is an appropriate use of taxpayer funds, as these resources will be used primarily for public safety and to ensure law enforcement officers are ready and able to keep our community safe.

The project has a federal nexus because the funding provided is for purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mario Diaz-Balart
Member of Congress
