March 19, 2026

The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for City of Hialeah Police Department Safety Communications Computer-Aided Dispatch System Modernization Project in Fiscal Year 2027. The entity to receive funding for this project is City of Hialeah located at 501 Palm Avenue, Hialeah, Florida 33010.

The funding would be used to replace current 911 technology system, which is housed at City of Hialeah Police Departments Communication division.

The project is an appropriate use of taxpayer funds because the upgraded system would primarily enhance law enforcement's ability to respond more quickly to crimes and emergencies, while also providing improved interoperability and reliability for public safety and law enforcement operations.

The project has a federal nexus because the funding provided is for purposes described in section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mario Diaz-Balart
Member of Congress
