Dear Chair DeLauro and Ranking Member Granger,

"I am requesting funding for the City of Doral's Police Department Real-Time Operations Center Safe-City Policing Technology project in fiscal year 2023.

The entity to receive funding for this project is the City of Doral Police Department located at 6100 NW 99th Avenue, Doral, Florida 33178.

The funding would be used for completing the installation of License Plate Readers in the entry and exit intersections throughout the City of Doral to enhance the Doral Police Department Real-Time Operations Center Safe-City Policing Technology security portfolio which provides the tools to capture accurate license plate recognition data, but more importantly, empowers public safety to use those detections to increase officer awareness, patrol productivity and investigative efficiency.

I certify that neither I nor my immediate family has any financial interest in this project."

Sincerely,

Mario Diaz-Balart
Member of Congress
