The Honorable Rosa L. DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for roadway improvements on NW 107<sup>th</sup> Avenue from NW 106<sup>th</sup> Street to NW 122<sup>nd</sup> Street in the fiscal year 2025.

The entity to receive funding for this project is the Miami-Dade County Department of Transportation and Public Works, located at 701 NW 1<sup>st</sup> Court, Suite 1700, Miami Florida 33136. The funding would be used for roadway improvements, which include a new four-lane roadway with raised medians, sidewalks, curbs and gutters, continuous stormwater drainage system, pavement markings and signage, signalization, and roadway lighting.

The project is an appropriate use of taxpayer funds as the improvements will greatly benefit the community by providing connectivity of transportation services, while helping spur further economic growth.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mario Diaz-Balart  
Member of Congress
