The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Northwest 99th Terrace Connector Road and Roadway Improvements in fiscal year 2024.

The entity to receive funding for this project is Town of Medley, located at 7777 Northwest 72nd Avenue, Medley, Florida 33166. The funding would be used for roadway improvements and to provide connectivity for the recently completed Northwest 87th Avenue project which is predominantly an industrial area and is critical for the continued economic development of the Town of Medley.

The project is an appropriate use of taxpayer funds because it will alleviate transportation issues, improve safety, provide mobility continuity to this area of the Town of Medley.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mario Diaz-Balart
Member of Congress
