The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Vision Zero Safety Improvements for East 4th Avenue in fiscal year 2024.

The entity to receive funding for this project is Miami-Dade County Department of Transportation and Public Works, 701 Northwest 1st Court, Miami, Florida 33136. The funding would be used for construction of roadway safety improvements to eliminate the number of fatalities and serious injuries.

The project is an appropriate use of taxpayer funds because it will improve safety for all modes, vehicles, pedestrians, bicyclists, and transit users. Furthermore, it will reduce the number of emergency response calls by police and emergency medical services.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mario Diaz-Balart
Member of Congress
